

## JOHNNY APPLESEED DAY

Mark your calendars for March 11 to celebrate National Johnny Appleseed Day!

This day commemorates the life and legacy of John Chapman, also known as Johnny Appleseed, who traveled across America planting apple orchards in the early 1800s. He is remembered for his love for nature and his generosity towards others, making him a beloved folk hero. This day is a great opportunity to remember Johnny Appleseed's contributions and maybe even make a generous donation of your time and talents in his honor!

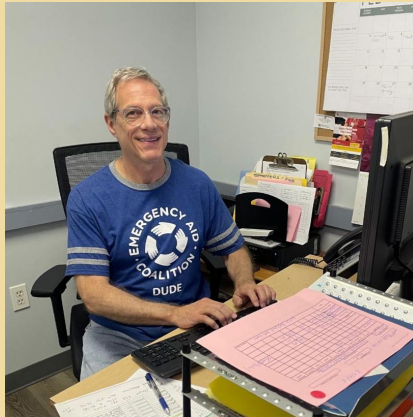

Students from Presbyterian School delivered food pantry items that were collected by the school faculty and staff for the Emergency Aid Coalition!

### EAC Food Pantry

The food pantry would be happy to accept canned fruit donations in honor of Johnny Appleseed!

### Volunteers are the *core* of EAC!

Paul volunteers regularly as a client interviewer at EAC. As a Spanish-speaking volunteer, he is an especially valuable asset to the team.
