**Second Sunday Food Drive**

Palmer Memorial Episcopal Church conducts a Second Sunday Food Drive every month to benefit the EAC. The next date is Sunday, June 14th, when parishioners are invited to bring food donations to the church.

The Emergency Aid Coalition relies on support like this from our member congregations!

### Big-Hearted to the End

After 51 years as an educator and reading specialist, Joy Lewallen retired! Guests at her retirement party were asked to bring non-perishable food items from the EAC's wish list to donate. Such a generous way to wrap up a career in public service.

- Men's belts
