

HAPPY INDEPENDENCE DAY!

Independence Day, known colloquially as the Fourth of July, commemorates the adoption of the Declaration of Independence on July 4, 1776, establishing the United States of America. By doing this, the delegates to the Second Continental Congress declared that the Thirteen Colonies were now united, free, and independent states.

According to Merriam-Webster, independence means "having the autonomy to make your own decisions, govern yourself, and take care of your own needs." But poverty makes independence hard to reach for many Americans. When people do not have enough money for basic needs, they have fewer choices. They often must rely on outside help from organizations like the **Emergency Aid Coalition**.

So as we prepare for cookouts, parades, and fireworks this Independence Day, let's add one more tradition to our Fourth of July celebrations...

giving back. Your donations to the EAC provide temporary assistance in the form of food, clothing and other basic necessities, enabling Houstonians in need to continue their journey towards true independence.

The modern patriotism,
the true patriotism,
the only rational patriotism is
loyalty to the nation
ALL the time,
loyalty to the Government
when it deserves it.
