

Getting Back on Track

Ironically, the inability to afford work boots often prevents people from being able to work.

Work boots can be costly, often out of reach for EAC clients. As one gentleman described the situation: “If you can’t afford the boots required for a job because you are not working, then it’s hard to get work. And if you’ve got kids to feed, that makes it even harder.”

The EAC offers boot vouchers to clients with proof of a job or job offer. Kevin, seen below, was so happy that he could finally get the size 15 extra wide steel toe boots he needed to work in construction!

In addition to boot vouchers, the EAC provides preloaded METRO Money Cards to EAC clients who simply need transportation to pick up their new work boots. Your donations allow the EAC to purchase these METRO cards, providing EAC clients with access to work boots or shoes, and ultimately the means to provide for themselves and their families.

Please support EAC clients by sponsoring the purchase of METRO cards, and provide a vital tool to helping people move out of poverty and get back on track.

Our fall fundraising event is just 2 weeks away! This secret soiree promises be the cat's meow.

Here's the skinny on some of the fabulous spread that we have planned:

- **Arancini** - Crispy risotto croquettes stuffed with mozzarella and sausage, served with house-made spicy sugo rosso.
- **Short Rib Ravioli** - House-made ravioli filled with tender slow-braised short rib, served in a creamy mushroom demi-glace for a deep, savory finish.
- **Meatballs** - House-made meatballs topped with melted mozzarella in a rich tomato sauce.

- **Gnocchi** - Homemade gnocchi with pesto sauce.

And let's not forget the **live Pizza Station**, featuring authentic, lightly charred brick-oven thin-crust pizzas!

There will also be **wine** and **passed hors d'oeuvres**, and we will cap it all off with some authentic Italian-syle **gelato**.
