

Veterans Day

Veterans Day is observed annually on **November 11th**, to honor all living and deceased military veterans who have served in the United States Armed Forces. It was originally called *Armistice Day*, proclaimed in 1919 by President Woodrow Wilson to mark the end of World War I. Major hostilities ended at the 11th hour of the 11th day of the 11th month in 1918.

Although the words “homeless” and “Veteran” should not exist together, about 8% of people sleeping on the streets of Houston are Veterans according to the most recent Point-in-Time count data. The Houston VA Community Resource and Referral Center (CRRC) supports homeless and at-risk Veterans to help assist them with housing, health and mental health care, career development, and access to VA and non-VA benefits. It offers Veterans a place to take a shower, do their laundry, address minor medical issues, and address food insecurity.

The **Emergency Aid Coalition** provides 250 sack lunches to Veterans at the CRRC each week. The EAC is proud to provide support and assistance to those who have served, with our deepest appreciation for their bravery and dedication.
