Small Acts, BIG Impact!

Together, We Can Make a Difference

World Kindness Day is celebrated internationally on November 13th every year. It's aim is to highlight good deeds in the community, focusing on the positive power and the common threads of kindness which bind us. Kindness is a fundamental part of the human condition which bridges the divides of race, religion, politics, gender and location.

The theme this year is ***Small Acts, BIG Impact!*** Small acts of kindness create a powerful ripple effect that uplifts both the receiver and the giver. There are biological and health benefits to being kind, and even small gestures of kindness

can completely change someone's day and inspire them to pass that kindness forward. Kindness fosters trust, strengthens relationships, and builds a safer, happier community.

At the **Emergency Aid Coalition**, we witness acts of kindness every day. Volunteers assisting EAC clients, getting them the help they need. Generous donors giving food, clothing and funds to fulfull our clients' needs. Staff members listening to clients' needs and giving what they can. Being kind is part of who we are and what we do. And we couldn't do it without **YOU.**

The Kindness of Just a Few of Our Nonprofit Partners

Moving Waters

Moving Waters is dedicated to hygiene and compassion for our Houston neighbors experiencing homelessness. Each week they bring their mobile shower unit to the EAC so that EAC clients can receive essential hygiene services. Moving Waters strives to create a community where everyone receives dignity regardless of housing status, reducing health risks and restoring dignity to the unhoused one shower at a time.

Have Shears, Will Travel

Have Shears, Will Travel serves the most vulnerable in the Houston community with their Mobile Salon. Every month, Have Shears, Will Travel brings their Mobile Salon to the EAC to give EAC clients the opportunity to get free haircuts. Their 34-foot converted RV features two fully equipped stations and professional stylists ready to provide transformation, dignity, and care—one haircut at a time.

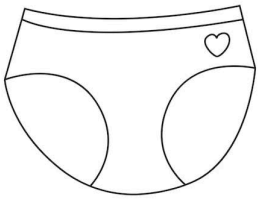

Golden Butterfly Bakers

Golden Butterfly Bakers spread joy throughout the Houston community via the gift of quality baked goods. Every week, the bakers donate 600 cookies to the Emergency Aid Coalition to be distributed in sack lunches for EAC clients. This small, kind gesture brings hope and happiness to people experiencing homelessness, giving them a sense of "home."
